Policy for Governors' Visits

The Purpose of this Policy

Governing Bodies have a statutory responsibility to promote high standards at their school, and must monitor and evaluate its effectiveness in this respect. Through visiting St Richard's Catholic College, Governors can get to know it better. The Governing Body is a corporate body and every Governor will visit the college as a representative member of that body, not as an individual. An effective partnership between Governors and staff, based on mutual understanding, benefits the whole college community. This policy will provide an agreed framework within which Governors will plan and carry out their college visits.

The Organisation of the Governor visits at St Richard's Catholic College

This policy has been produced by the Principal and a small committee of Governors who consulted with the full Governing Body.

Visit Programme

The programme of visits will be organised as follows:

- Each Governor will try to make two school visits a year (school day or evening events).
- Each Governor is linked to a department or team and will try to visit that department and attend at least one departmental team meeting annually.
- A sub-committee will visit termly to assess health and safety and general maintenance.
- The Subject Leader and Principal will be involved in the organisation of visits.

Content of Visits

- Annually, a programme of visits will be organised to include attendance at events and to carry out pupil voice interviews.
- Each term at least two Governors on a rota basis will try to visit the college to observe some lessons or to tour the college or to spend time with a member of staff or to speak to pupils about their learning.
- Formal visits to the college will focus on viewing underperforming departments.
- As well as attending a number of School Council meetings, Governors will seek the views of pupils on each visit.
- No Parent Governor will visit their child's class.

Reporting

- Have a conversation with the Subject Leader on how you feel the visit went.
- Speak to the Principal about the visit – evaluating its effectiveness.
- Fill in an agreed report sheet and leave a copy with the Principal.
- Pass on a copy of the report sheet to the Clerk to the Governing Body.
- Share a summary of the visit at the next Governing Body Meeting.

Procedure for carrying out visits at St Richard's Catholic College

Our Governor visits will be organised through the Subject Leader in liaison with the Principal.

Before the visit

- *Please ensure you have completed the GEL course on Governor visits before organising a visit.*
- *The Principal should be your first contact in organising a visit.*
- *Agree a mutually convenient time to visit with the Principal/subject teacher or Subject Leader. Avoid stressful or busy periods in the college diary*
- *Clarify the purpose of the visit and agree this with the Principal and relevant staff. Agree together how best to approach the identified focus to make effective use of everyone's time.*
- *Agree how you will be introduced to the pupils and the extent to which you will be involved in any activity or lesson*
- *Agree a convenient time to discuss your visit with the subject teacher. This will also be your opportunity to clarify any issues you are unclear about.*
- *Prepare for your visit by reading any relevant documents*
- *Ensure that you are aware of the core principles underlying the Governor visits at St Richard's Catholic College as outlined in this document.*

During the visit

- ***Remember this is a visit, not an inspection.*** *Governors are visiting to learn more about the college and to gather information to inform decision making by the Governing Body. It is not the Governors' role to judge the quality of the teaching. Monitoring staff performance and the quality of teaching and learning is the job of the Principal.*
- *Remember that you are an invited guest.*
- *Be aware of, and adhere to, the college's Safeguarding and Child Protection policies and procedures.*
- *Be punctual, sign in and wear a name badge.*
- *Try hard not to disrupt the normal working of the college by monopolising the teacher's time.*
- *Smile and listen. Try to relax and enjoy yourself.*
- *Think carefully about what you say and do. Remember that a visit by a Governor can be stressful for staff. Be courteous, tactful, positive and interested. Avoid criticism e.g. Never make a comment on the teacher's conduct of the lesson or on individual pupils.*
- *Try not to draw too much attention to yourself. Avoid overtly making notes as this can be disconcerting. Instead, write down your thoughts as soon afterwards as is practical.*
- *Remember that you are representing the Governing Body. Governors should be prepared to explain policies, but should avoid giving personal opinions which could be misinterpreted as the views of the Governing Body.*
- *Avoid making promises on behalf of the Governing Body.*
- *Only go into the staffroom if you are invited to do so.*
- *Observe previously agreed levels of confidentiality.*
- *Remember to thank the staff for supporting you in your role as Governor*

After the visit

- *If you have seen something that worries you, you would normally discuss this first with the teacher.*

- *Discuss your visit with the Principal and agree a draft of any written report with the Principal, and with staff, as appropriate. Be prepared to take the comments of others on board before you circulate your report to Governors and the Clerk.*
- *Send a note to thank the relevant staff. Be open and honest; recognise and celebrate achievement.*
- *Reflect upon your visit. Your views will inform the review of the policy and procedures.*

Reporting on your visit

Following a visit, Governors will share their impressions with the Principal in the first instance and then the Governing Body. Copies of approved and finalised written reports should be given to the Principal and Chair of Governors and subsequently made available to Governors, if desired. Reports will be kept with the Clerk to the Governors once they have been formally recorded in the minutes.

Evaluating the visit

Following a visit, Governors may reflect on the following questions:

- How did the visit go?
- Were you clear about your objectives?
- What, if anything would you do differently next time?
- Are there further areas you would like to explore?
- How has the visit helped you, the college and/or the Governing Body? E.g. in collecting monitoring evidence, in greater understanding of a particular aspect.

Monitoring, evaluation and review of this policy

Governors' visits will be an agenda item at the Full Governing Body meetings. This policy will be reviewed bi-annually by a sub-committee of the Governing Body. The views of the staff will be sought. The Governing Body will consider if Governor visits are contributing to the information that the Governing Body has about progress towards meeting priorities and targets identified in the College Improvement Plan.
