Putting pupil well-being at the heart of all we do

We **INSPIRE**

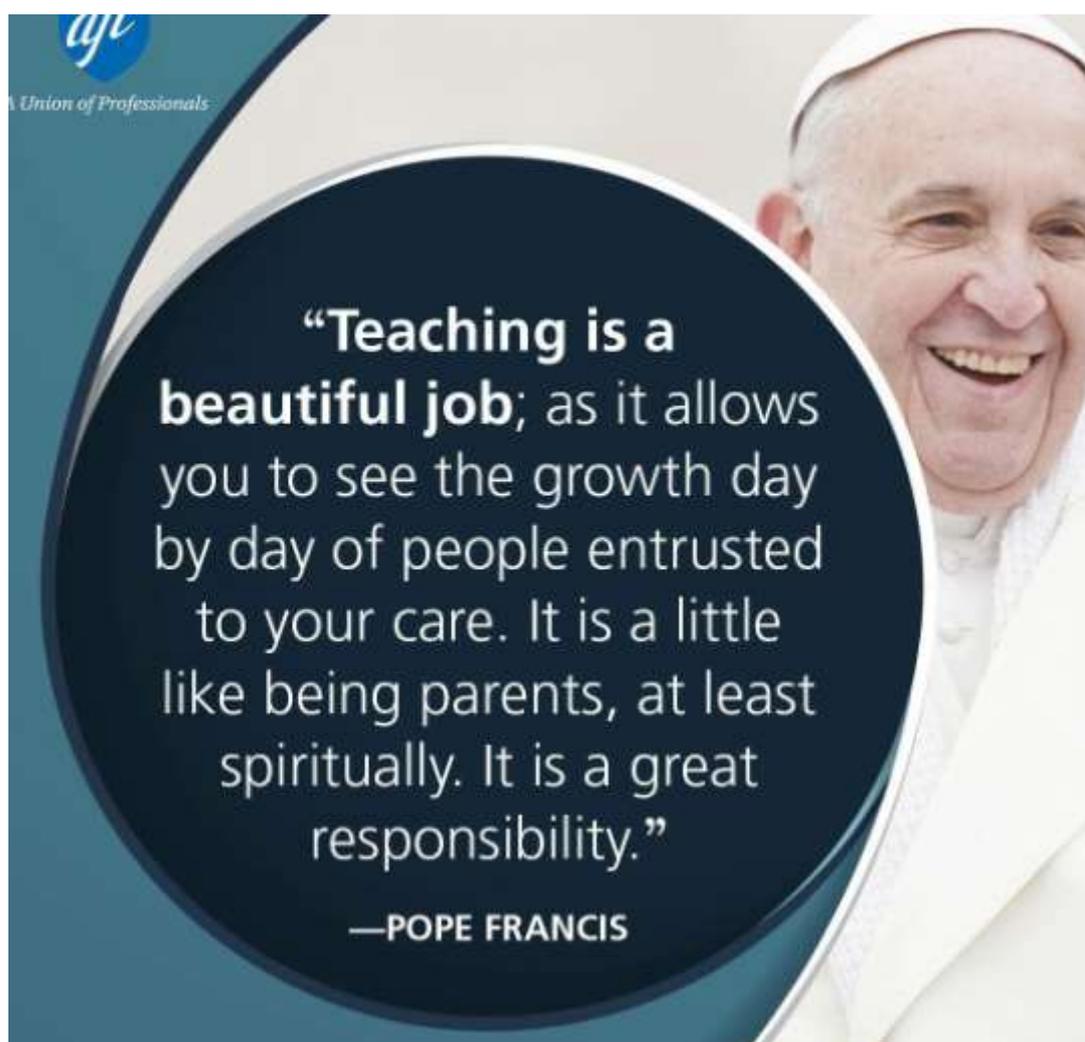

We **MOTIVATE**

We **CARE**

We **TEACH**

'I have come so that all may have life and have it to the full'
John 10:10

This booklet has been put together to outline the support available in the school to our young people. It is important that we work strongly in partnership with parents and carers to put pupil well-being at the heart of all we do. This starts with the care and support given to each young person who walks through our gates. It is the consistent care that must be provided by the entire community of St Richard's and which should permeate all we do. This care must be evident in every form-time, the class room, corridor, canteen area and playground. We are reminded by Pope Francis that:

Alongside the care and support provided to all pupils there are times when a child will need extra care and help. This booklet has been put together to outline the range of support provided to pupils in the school. Alongside the regularly reviewed and updated universal support for all pupils there is targeted in school support for those who require it. The next few pages detail this support and who to liaise with over it. It then offers an outside agency directory for further signposting to pupils and parents.

SEMH Intervention 2020-2021

Intervention	Purpose/Referral Criteria	Details	Key Staff
1. Mental Health & Emotional Well-being			
Mental Health Support Workers	MHSP are working with St Richard's whilst training this academic year. Doulagy Fahim is working on a Monday and Samuel Gartside on a Tuesday, both based in the Pastoral Support Office. The intervention can be focused on Sleep difficulties, Poor eating patterns (not eating disorders) Low Mood, Low Self Esteem or depression, anxiety difficulties, phobias, social anxiety and excessive worry. The MHSW cannot work with a pupil if any other therapeutic input is being made, even if this is private or out of school. Pupils with ASD and ADHD will not be able to use this support as the cognitive behavioural approach will not work with these needs due to challenges with changing cognitive processing patterns.	Referrals can be made via referral forms that are in the Pastoral Support office. These are then taken to a clinical supervision and agreed. The assessment tends to take 2-3 sessions with a further 4 sessions (maybe more) of targeted support.	Mrs D Bligh, Mrs E Dann
Mental Health First Aiders	Support for pupils who are concerned that they may be experiencing a negative impact on their mental health and would benefit from sign posting and support from a member of staff who has been trained in mental health first aid.	1:1 support from a variety of staff who have been trained. They are identified through posters around the school and through wearing the BEE badge	Miss J Doyle, Mrs K Britt, Mr G Saunders, Ms F Tocknell, Mr J Campbell, Mr T Holloway, Mr M Padgham, Mr I Smith, Mrs D Bligh, Miss S Tester, Mr N Trimby, Mrs K Lea-White, Mrs N Campbell, Mrs R Byrne, Miss L Whelan, Ms C Hubbard, Mr C Eyre, Mrs R Forster-Simmons, Mrs G Hook, Miss K Cooper
Short term response intervention	Intervention tends to be 1:1 and is a response to a crisis for a child in the moment; this may be due to overwhelming emotions, a recent experience, unusual displays of behaviour or a disclosure. The response will often be regular (daily or every other day) over a few weeks to ensure that the pupil is settled and has links to support and sign posting. This support does not tend to be long term unless a concern is recurring.	Intervention tends to be delivered by the staff member that this was presented with, however if this is not possible it is likely to be passed to the Pastoral Support Manager or DSL to ensure that support is followed up and sufficient action is taken to support the pupil.	Staff, DSL, Pastoral Support Manager, SENCO
2. Self-esteem			
Theatre based support	A small group provision using drama to build up confidence and self-esteem. Tasks/activities to encourage/facilitate communication and support KS3 pupils in identifying positives. Strategies for managing emotions.	Mr C Eyre has attended training and is running small groups in terms 5 & 6 – this is workshop based and follows a programme of 6 sessions. Refer via Mr Eyre	Mr Eyre, over-seen by Mrs Bligh
3. Social Skills			
Social Use of Language (SULP)	Support for pupils who are having difficulties with forming friendships, dealing with social situations and/or bullying. Delivered as a group. Generally, based around a pupil or group of pupils who are addressing a specific difficulty.	Delivered by TAs in a group of around 5/6 pupils max.	Mr I Smith, Mrs N Campbell, Mrs Kathryn Lea-White

Intervention	Purpose/Referral Criteria	Details	Key Staff
Anger Management	This can be group work or 1:1. Often delivered 1:1 over a 6 week period with sessions planned but tailored to the needs of the pupil. Focus to be on triggers, physical signs, measuring emotions, exploring strategies and sharing strategies. There is also scope for this to be explored through theatre, drama and role play.	1:1 support has been delivered by Pastoral Support Manager. This is due to be continued in a variety of ways with Chris Eyre.	Mrs E Dann, Mr C Eyre
4. SEND Support			
Educational Psychologist	Pupils referred may be observed and assessed for educational, behavioural and/or SEMH concerns. Reports are provided by the EP with outcomes for staff following a full assessment. The Ed Psych service are also involved as part of the EHC assessment process.	Referral via SENCo. The school buys in to the Ed Psych service at a rate of approx 9 days per year. The link Ed Psych is Dr Elizabeth Russell, currently being covered by Dr Bonnie Wong.	Mr I Smith
Speech and Language Therapist	Not a bespoke SEMH service, however the private Speech and Language therapist is a professional whom pupils often build a good relationship with, and disclosures and/or concerns can often be recorded as a result of these sessions.	Delivered by independent Speech and Language Therapist, Lee-Ann Govender. She is in school on Thurs 8:30am-10am and Fri 1:30pm-3:30pm.	Mr I Smith, Mrs K Britt
OT Therapeutic Input (bespoke)	OT (Seb Hilder) is in School on a Friday (Reg-p4) and has scheduled appointments with pupils who are referred. The service is funded by the school and specific criteria must be met, ie a need identified, scope for the therapist to make a positive improvement, and signs of measurable progress (e.g. in levels of confidence) over the course of sessions.	Delivered by independent OT, funded by SEN department. There are sometimes options for Virtual School or Children's Services to fund an assessment or period of support from the OT.	Mr I Smith, Mrs K Britt
5. Self Regulation			
Counsellor (Helen Blackford)	Helen is in School 3 days a week seeing pupils in half an hour slots. Counselling is a listening service for pupils to access support. The service is completely confidential unless a safeguarding issue is raised within a session.	Referrals can be made by any staff member and pupils can also self-refer.	Mrs D Bligh, Mrs H Jones
Pastoral Support Manager	Mrs E Dann will offer bespoke pastoral support for pupils. This will vary on context and can be in response to a crisis or behaviour as well as general SEMH, LAC or friendship concerns. There is no referral criteria and pupils can drop in for support. However, capacity is limited and often the support will look at the issue and how pupils can be signposted to the best support for them to access.	Support may be (but not limited to the following): Anti bullying, building positive relationships, LGBTQ, careers, anger management, anxiety, building resilience, managing emotions, substance misuse, resolving conflict, organisation, soft skills, someone to talk to, referring for specialist support.	Mrs E Dann
Zones of Regulation	A support mechanism or strategy for pupils who are not managing to self-regulate. This is a useful tool in place of, or alongside an exit card to identify how a pupil is feeling on a visual chart, using colours and examples of emotions. The tool also offers 4 options of strategies to try and support self-regulation.	The tool is useful to share with a pupil, have available for when support is needed and to encourage independent use of the strategies with reminders and prompts as and when needed. A visual copy can be provided to the pupil to look at if necessary.	Mr J Nukhir, Mrs E Dann, Mr I Smith

Intervention	Purpose/Referral Criteria	Details	Key Staff
6. Loss & Separation			
Loss and Separation - Spectrum Group	Group for pupils who have suffered loss or bereavement. Usually delivered by trained TAs. The group will have no more than 6 pupils and will be tailored to suit specific year groups or Key Stages to ensure conversations are appropriate.	Managed by Jo Doyle. Any staff members can refer a pupil. Often delivered in Pastoral Support Office.	Mrs N Campbell, Miss J Doyle, Mrs K Lea-White
7. Relationships			
SAS	Group work to look at specialist sex and relationships education. This is targeted at pupils who may be at risk with regards to relationships and will look at minimising harm and risk awareness. The SAS education is run in small groups during PHSE lessons over a 6 week period.	Pupils can be referred by any staff member to be considered for the next group. Group dynamics must be considered when setting the group up.	Mrs R Knight
8. General support			
A Wright Action Your Potential	The school have bought into the Neuro-Ninja programme that seeks to support pupils and their families with strategies around well-being and managing anxieties. There are shared webinars and A Wright comes into school to lead whole staff training and bespoke training to the pastoral care team to strengthen their work in this area. Support is given to the SEN team around structured conversations. There is a website that is accessible for all staff, pupils and parents/carers to help with self-learning on this topic - www.actionyourpotentialtoday.com (password Neocortex123).	Open to all staff, parents and pupils. A Wright also emails out to families identified by the pastoral care team who would find this a supportive measure.	Mrs Bligh
Mentoring (General)	Pupils who want or need mentoring are identified by requesting this, being offered this due to not meeting targets or needing support for emotional wellbeing or behaviour. Pupils are allocated to a willing staff member who will hold planned sessions with pupils. These can be run in small groups or 1:1 depending on the needs of the pupil.	Mentoring will be tailored for each pupil and mentors can be paired with pupils due to existing relationships or on identified strengths of staff to forge these relationships. Sessions must be regular and have targets or goals.	Identified by Pastoral Leaders. Mentors are: LMT, Mr M Padgham, Mrs R Knight, Pastoral Leaders, Miss S Tester, Miss J Doyle.
School Health Service	Recently changed to an appointment led service, pupils can text to make an appointment. It is possible on appointment days to also have pupils drop in.	School Health team can be contacted via text on 07507332473	Mrs D Bligh, Mrs A Hills

Intervention	Purpose/Referral Criteria	Details	Key Staff
9. Young Carers			
Young Carers	Drop in Service available termly for young carers. There are also specific appointments for identified young carers who are offered support.	Young Carers must be identified for support to be offered - staff need to be vigilant around conversations where pupils are caring for family members and refer pupils for this support.	Mrs A Hills
10. Targeted outside agency support			
Community Police Link	Sussex Police have a link with Charlotte Williams who will offer advice from a police perspective for incidents impacting pupils and may also offer to speak to pupils within the school environment to clarify the law and give warnings.	Managed through strong links with DSL and pastoral team,	Mrs D Bligh
Time to Talk	Intergenerational Mediation Service - this is a free service, mediators will come into school to meet with pupils and also meet with parents all on a 1:1 basis and then follow this up with pre-arranged family meetings to mediate communication and re-build relationships. All members participating must be willing to engage with the service and this can be discussed over the phone calling 01323 442781. If appropriate, an email referral form will be sent to gather basic information.	Signposted via the pastoral care team.	Mrs E Dann, Pastoral Leaders
YOT	The Youth Offending Team will generally work with pupils who have had a conviction from the police and received a court order. This is then a mandatory piece of work where pupils will be taken to court if they do not engage and attend appointments. YOT will work to look at ways to prevent further criminal acts with young people and also seek to engage with other professionals around positive engagement, mental health and substance misuse support. On very few occasions, YOT will work with a pupil at the request of police for a few sessions without a court order.	YOT are based in Hastings within the community however when a worker has been allocated to a young person they may decide to hold a session a week in school to ensure attendance or offer specialist support in a more accessible environment.	Mrs D Bligh Mrs E Dann
YES (The My Trust)	Youth Employability Service work with Year 11s regarding further education, training and apprenticeships. YES will be able to deliver workshops to targeted young people around building resilience or aspirations and will also identify pupils at risk of becoming NEET each year and follow these pupils through to September to ensure that they have participated in some kind of education and training moving forward. YES are able to offer employment advice.	YES will make contact with school each year to identify pupils at risk of being NEET. YES can also be contacted online or via telephone for advice about a pupil or to make further referrals.	Pastoral Leader for Year 11, Mrs E Dann

Intervention	Purpose/Referral Criteria	Details	Key Staff
ESBAS	Education Support Behaviour and Attendance Service are a traded service (mostly) where they can offer support regarding behaviour for pupils, ESBAS are able to deliver interventions around managing behaviour, regulation, friendships, anti-bullying and bespoke services on further discussion. ESBAS also have a core offer for pupils who have been permanently excluded to work with them on reintegration into a school and support pupils to settle into a new mainstream school environment.	ESBAS referrals need to be made through the ISEND front door referral form unless the pupil has been permanently excluded and will therefore have an ESBAS reintegration worker allocated to them. Referrals will all need an additional needs plan, attendance certificates, school reports, pupil voice and extensive information on the pupil. ISEND can be contacted for advice also.	Mrs D Bligh, Mrs E Dann
Level 3 Family Keywork	Level 3 family key work can be referred to by making a Statement of Referral through SPOA - families must be willing to engage and consent to a referral and circumstances must correlate with the level 3 continuum of need.	Managed by the Safeguarding Team.	DSL team
CAMHS/LACAMHS	Deliver medical assessments for conditions such as ASC and ADHD, and provide therapeutic input to address SEMH needs. These can be on a short or long-term basis.	Referral via SOR (can be made by GP or by school. GP is preferred if majority of issues are in the home; school is preferred if vice versa). All input delivered by CAMHS therapists or other specialists, either in school, at the CAMHS/LACAMHS centres or in the family home.	Pastoral Care Team
EAL Service	Not a bespoke SEMH service, however the EAL Service provides professionals whom pupils often build good relationships with, and disclosures and/or concerns can often be recorded as a result of these sessions.	Referral via East Sussex Front Door. EALS teacher for St Richard's is Martine Sepion, who is in school every Tuesday (all day). The school has committed to buy into the service.	Mr I Smith, Mrs K Britt
Other organisations that the school will refer to depending on need: SWIFT, PREVENT, WISE, CAHMS, IROCK, FEDs

School Counsellor

If you would like an appointment to see Helen, our School Counsellor, this can be arranged. Please speak to any member of staff that you feel comfortable speaking to or email Mrs Bligh.

School Nurse

If you are worried about a health issue, text 07507332473 for an appointment with the School Health Team.

For advice on healthy, safe relationships please visit a drop in service facilitated by the NHS in Hastings or Eastbourne.

Take control of your life online with the BBC Own It App to help you make better informed choices.

St Richard's will not tolerate bullying of any kind.

If you experience or witness any bullying, please report this to any member of staff; do not delay! You can also seek support from an Anti-Bullying Ambassador.

Mental Health

See posters for Staff Mental Health First Aiders. There is information outside Mrs Bligh's office and Tech 4. Talk to Mrs White or our Mental Health Ambassadors. You can also speak to Pastoral Support Manager, Emma Dann.

St Richard's Catholic College Mission Statement

Comitas, Scientia, Caritas

St Richard's Catholic College is a community where all are welcomed in the spirit of Christian love and respect.

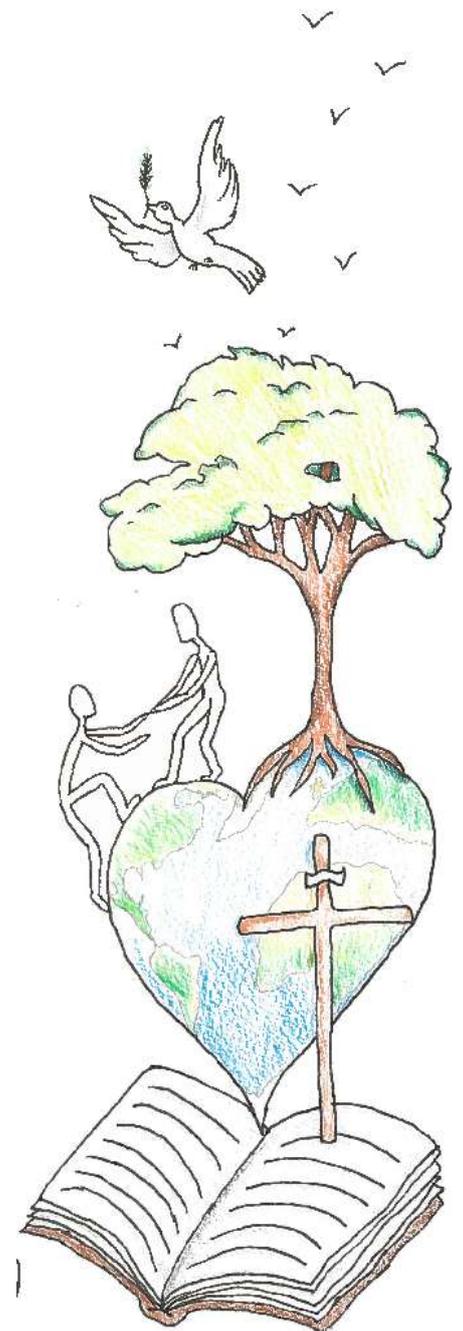

Our school encourages the wonder and joy of learning in order to ensure that every pupil reaches their full potential.

We enable all to flourish and grow together in friendship and in faith.

We aspire to be courageous, having the integrity and the spiritual strength to make a positive difference in the world, both now and in the future.

We endeavour to cherish our school motto of Community, Knowledge and Charity.

'I have come so that all may have life, and have it to the full.'
(John 10:10)
