IT Apprentice

St Richard's Catholic College is offering a new and exciting opportunity to achieve a degree level qualification whilst working within our busy IT Services Team. If you are looking to achieve a degree but feel that university is not the right avenue for you, this could be a great option.

As an IT apprentice you will be working towards your BSc (Hons) in Digital and Technology Solutions Degree Apprenticeship, alongside a full time role within our IT Services Team. This four year programme will allow you to apply your learning to the workplace and gain a breadth of experience, working alongside IT professionals.

What we offer

- A great work environment
- BSc (Hons) Digital and Technology Solutions Degree Apprenticeship
- A fully employed apprenticeship for 4 years
- An opportunity to learn the IT world from the ground up with the support of experienced colleagues.

Requirements

We are looking for an enthusiastic and motivated individual who is committed and keen to learn. You will need to be able to manage your time and show initiative to resolve the problems you are tasked with on a daily basis.

Whilst you will be fully supported to complete your studies, the programme will require a personal commitment to study in your own time.

We require a minimum of 5 GCSEs at grade A-C or Level 5 and above to include Maths and English.

Closing date is Thursday, 31st March 2022

St Richard's is committed to safeguarding and promoting the welfare of its pupils and expects all staff and volunteers to share this commitment.
