TEACHER OF MATHS
(Full time)
required September 2022

The Governors are seeking to appoint a well-qualified, enthusiastic and inspirational teacher to join a high-achieving department.

We offer an excellent programme of induction and professional development; excellent facilities to work in and the support of a strong, creative and committed team of specialists who are aspirational for all pupils, who achieve outstanding results.

Further details and an application form are available from www.strichardsc.com.

Applications are welcomed from trainee teachers gaining QTS this summer as well as more experienced teachers who may be interested in taking on leadership responsibilities within the department for a TLR.

The closing date for applications is Friday, 20th May 2022, however, we encourage you to apply as soon as possible as we may interview on receipt of applications rather than await the closing date.

St Richard's is committed to safeguarding and promoting the welfare of its pupils and expects all staff and volunteers to share this commitment.
