Dear Applicant

Thank you for your enquiry for the post of Senior IT Technician. This post requires a highly skilled and professional individual able to make a significant contribution to the smooth running of our school.

The college roll is at present 1045. The college enjoys an excellent reputation in the community and our numbers for admissions are over-subscribed each year. The Teacher Assessed Grade results (2020-21) were 92% 4-9 grades in English and Maths and 73% 5-9 grades including Maths and English (BASICS measure).

Visitors to the school often comment on our 'strong' family atmosphere, supportive ethos and Christ-centred caring environment. Pupils are positive, respectful and fully engaged in their learning. They enjoy coming to school and each is encouraged to develop to the full. Ours is a 'can do' culture with the belief that everyone can achieve. We are a Specialist Science College with High Performing Specialist School status and we have Leading Edge status, Fairtrade Fair Achiever Award status, Artsmark Gold Award and Space Education Quality Mark. In 2018-19, the SSAT awarded the school exceptional Education Awards at Transforming Level for 'Engagement with Stakeholders', 'Climate for Learning' and 'Leadership through Moral Purpose'. In 2019-20 the SSAT awarded the school two further Exceptional Education Awards at Transforming Level in 'Professional Development' and a 'Variety of Teaching Approaches'. In 2020-21, the school was awarded a further Exceptional Education Award at Transforming Level in 'Wellbeing'. We are ambitious to become one of the best schools in England.

The IT department at St Richard's Catholic College is an exciting place to work, boasting some leading industry technology and it would allow the right candidate to develop their existing and new skills. We are looking for a Senior IT Technician to act as a deputy for the Director of IT Services. You will be responsible for maintaining the IT systems that are heavily relied upon on a daily basis and recommending any changes to further improve our current infrastructure.

The closing date is Friday, 15th July 2022.

Thank you for your interest and I look forward to receiving your application.

Yours sincerely

Miss D Cronin
Principal
