

St Richard's Catholic College

PASTORAL CARE & BEHAVIOUR MANAGEMENT POLICY

The Policy was approved by the Governing Body: September 2022

Chair of Governors: _____

The Governing Body will review the policy in September 2023

The Pastoral Care & Behaviour policy aligns with our Anti-Bullying & Friendship policy, RSHE policy and Mental Health & Wellbeing policy, all of which can be found on the website [here](#). We ensure that our practice is in line with KCSIE 2022, the Equality Act (2010) and the DFE Behaviour in Schools Guidance July 2022.

Leadership & Management of Policy

The Principal and Leadership team (LMT) supported by the Pastoral Leaders and Pastoral Care team (which includes the SENCO and Lay Chaplain) are responsible for the implementation of this policy and ensuring the consistent delivery by all staff.

Purpose and aims

MISSION STATEMENT

Comitas, Caritas, Scientia

St Richard's Catholic College is a community where all are welcomed in the spirit of Christian love and respect.

Our school encourages the wonder and joy of learning in order to ensure that every pupil reaches their full potential.

We enable all to flourish and grow together in friendship and in faith.

We aspire to be courageous, having the integrity and the spiritual strength to make a positive difference in the world, both now and in the future.

We endeavour to cherish our school motto of Community, Charity and Knowledge.

'I have come so that all may have life, and have it to the full.' (John 10:10)

At the very heart of our Pastoral Care Policy is our Mission Statement. We set out to ensure that our community is a place where all are welcomed in the spirit of Christian love and respect and where reconciliation informs consequences.

Pastoral care at St Richard's is about ensuring that every pupil can reach their full potential and that everything that is possible is done to remove barriers from learning; to enable each child to flourish and to support our young people during points in their life when difficulties occur. We have embraced therapeutic thinking as a way to further strengthen our understanding of young people and our pastoral care offer.

Our aims are as follows:

- To ensure ours is a happy community where every pupil can learn, reach their potential and exceed their expectations.
- To ensure an atmosphere of calm, productivity and support in which every pupil is able to embrace academic challenges that allow them to reach greater heights in their learning.
- To encourage in pupils self-discipline, self-motivation, self-confidence and independence so that they are able to make not only a difference to their lives but to the lives of others, both now and in the future.
- To work with our pupils on character education and leadership skills so that they are ready to embrace all the challenges life holds for them.

At St Richard's we have a strong Pastoral Care team of five Pastoral Leaders, five SEN Year Co-ordinators, the SENCO, Pastoral Support Manager, local clergy, Lay Chaplain and other members of staff focussed on improving the opportunities of our young people through pastoral support.

We have a clear consequence and reward system in place to ensure a happy, lively and purposeful school, in which all can learn to the best of their abilities. Our community expectations are shared with all pupils and parents and are not open to interpretation. We constantly review ways of working in partnership with parents/carers to fully communicate and work together for the good of each child who comes to St Richard's.

We have the highest expectations of our pupils because we believe them to be capable of great things. At the same time, we recognise that some young people may need more tailored help to

guide them through a particular problem or time in their lives. When this happens we have a range of professionals who come into school to offer this support.

- HIVE Teaching Assistants (wellbeing hub in the PE corridor accessible before school, break and lunch on a drop-in service)
- Counsellor
- School Nurse Service
- Education Welfare Officer
- East Sussex Behaviour and Attendance Service (ESBAS)
- Youth Offending Team (YOT)
- Substance misuse service
- Family key workers
- Mental Health and Support Team (MHST)
- Social workers
- CAHMS
- Occupational Therapist
- Speech and Language Therapist
- Educational Psychologist

We endeavour to build strong working relationships with such professionals, in order to work collectively and clearly to achieve the very best for our young people.

We also have many in-house support workshops from anger management to social use of language groups. We have an excellent bereavement support group run by trained members of staff called 'Spectrum'. We offer a themed approach to support in school and a full range of our pastoral support services can be found [here](#).

THE SUPPORT OF PUPIL BEHAVIOUR

In our Mission Statement we commit ourselves to providing a community where all are welcomed in the spirit of Christian love and respect. St Richard's must be a community which enables every child to flourish and reach their full potential. We believe that every child's right to learn without hindrance must be safeguarded and we aim, in partnership with parents and carers, to help our pupils learn self-discipline, and consideration for others to ensure they take responsibility for themselves and their actions both within the community and outside in the local community. Establishing and maintaining high standards of behaviour is vital in ensuring that teachers and support can deliver the curriculum and that school is a safe environment for all pupils.

Staff are encouraged to reward outstanding examples of academic work or citizenship by recording these on the 'Edulink' on-line platform to be shared with pupils and parents. We have an annually updated reward system to motivate pupil behaviour and reward those who give above and beyond.

Promotion of Values associated with Modern-Day Britain:

The school promotes an understanding and respect for the following institutions which, though not exclusive to the UK, may be seen as intrinsic "British Values"

- Democracy in national and local politics
- The rule of law
- Individual liberty linked to individual responsibility
- Mutual respect
- Tolerance and respect for those of different faiths and beliefs

The school will seek to address concerns where such core freedoms are, in anyway, undermined or diminished, to the detriment of others. This will be achieved through:

- Creating a safe place for dialogue
- Equipping young people with the skills and knowledge to recognise difference
- Teaching citizenship
- Seeking opportunities throughout the curriculum to identify the spiritual, moral, social and cultural implications of the curriculum

Code of Conduct

1. The fundamental principle of our Code of Conduct is "respect for a person and respect for a person's property". This means that pupils should:
 - a) exhibit respect to staff and peers
 - b) be responsible for themselves in terms of organisation, uniform, homework etc.
 - c) respect and not interfere with another person's property, belongings or education.
2. Individual teachers exercise their professional judgement in ensuring that the Code of Conduct is upheld. Every effort is made to ensure consistency, otherwise there may seem to be bias, favouritism, lack of fairness or injustice.
3. Specific rules and regulations are drawn up, evaluated and modified from time to time and it is the responsibility of **all staff** to enforce these, for the benefit of the community, and communicate their actions as appropriate.
4. As a Catholic school, we expect pupils to be guided by Christian principles in their words and actions and to show respect and concern for the wider community. This in turn may involve various forms of community service and positive action for charity.
5. It is essential that all staff supervise and monitor behaviour in corridors, the dining area and the school playgrounds to ensure all pupils feel safe and secure.
6. Physical intervention – In the rare event physical intervention is required the school will follow DfE guidance on the use of physical intervention.

Classroom Code of Conduct

Pupils will:

1. attend class promptly, with the correct books and equipment
2. enter and leave the classroom in a quiet, orderly manner
3. settle down to lessons quickly, respecting the right of other pupils to listen and work
4. exercise understanding of one another, especially when personal opinions are expressed
5. respect the classroom environment and leave the room clean and tidy
6. abide by the rules of the community as outlined in the Community Expectations.

The above Code of Conduct should be displayed in every classroom and referred to regularly.

Equality

St Richard's fully understands that some pupils with SEND or complex needs require a varied behavioural support response. We understand and appreciate that in order for all young people to be treated fairly, it is right and appropriate for some to be treated differently. These pupils have clear additional needs or EHCP plans which set out the strategies required for supporting them to achieve their potential both academically and pastorally. Reasonable adjustments may include such measures as examination access arrangements, use of assistive technology, changes or adaptations to the school site, or provision of additional support from staff.

Therapeutic Thinking

St Richard's follows a therapeutic approach to young people who may have experienced an adverse childhood experience or other trauma and therefore require a different approach with regards to behaviour management. Staff have received training in this approach and the pastoral team will use therapeutic thinking tools to assess, plan and respond to pupil behaviour.

Staff Training

Pastoral care, behaviour and support is covered within our staff induction programme. Regular training for all staff on behaviour, safeguarding and pastoral care occurs throughout the year.

Pupil Transition

A strong transition programme exists to ensure pupils in Year 6 are well known before entrance to the school and all safeguarding and pastoral information has been collated from primary schools.

School System

Community Expectations

Conduct and Discipline

All schools need rules to run efficiently and effectively. At St Richard's we have in place a Code of Conduct. This enables us to safeguard the right of every child to learn without hindrance. It also ensures our pupils learn self-discipline and the need to take responsibility for themselves and their actions. These are lessons that will serve them well through life. The basic principle of the Code of Conduct is 'respect for the person and respect for a person's property'. Pupils must:

- Show respect and kindness to staff and their peers at all times.
- Act in such a manner that ensures all who come to St Richard's are able to flourish and grow together in friendship and in faith.
- Take responsibility for themselves in terms of learning, conduct, homework, uniform and organisation.
- Respect and not interfere with another person's property or their right to learn.
- Exercise respect for one another's differences.
- Be committed to working together to make positive differences to our community and to the society in which we live.
- Work together to uphold our school motto of Comitas, Scientia, Caritas (Community, Knowledge, Charity)

As we are a Catholic school we expect pupils to abide by Christian principles and to show respect and concern for the wider community.

Pupils must treat each other with respect and kindness at all times. We have a clear Friendship and Anti-Bullying Policy that recognises different types of bullying, including cyber bullying, prejudice-based and discriminatory bullying.

It is a whole community responsibility to recognise bullying and to take appropriate action. All staff, both teaching and non-teaching, are committed to the creation of conditions which discourage bullying through: consequences that are applied fairly, consistently, proportionally and reasonably; vigilant supervision of areas such as toilets, corridors, staircases, the changing rooms, the playground and the back area of the school. The full range of interventions, support and consequences attached to incidents of bullying can be found in the Friendship and Anti Bullying Policy. The school sets out an approach of education and strong moral values that puts at its heart the dignity of every young person and each person's role in ensuring the wellbeing of others.

Pupils are encouraged to report any negative behaviour, even if they are not sure whether it is bullying. They can do this through:

- Speaking to their teacher/TA or any member of support staff
- Speaking to a parent/other adult who then may contact the school in any of the ways listed.
- Speaking to their School Council Rep or a Student Listener.
- Passing on information via a confidential e-mail address or web based reporting system which are checked daily. Pupils can access the e-mail address via their pupil e-mail account by typing 'issues box' in the To: section of a new email. If they are not using their pupil email account they should address it to issuesbox@strichardscc.com They are also able to access the new Whisper anonymous reporting tool on their home page and the school website.

Child on Child Abuse. This can take place in school, out of school and online. It covers a range of concerns including sexual harassment and assault. The school follows the East Sussex protocol for managing Child on Child Harmful Sexual Behaviour in Schools, September 2021.

The school adopts an 'It can happen here' approach to safeguarding and bullying and seeks to ensure environment in which young people are able to access support from staff. Staff are regularly trained in a range of safeguarding procedures and topics and will never accept hurtful, hate (sexual comments) as banter or part of growing up. A new confidential reporting system is in place so that young people always have a way to share concerns anonymously. It is called Whisper and pupils can access it on their home page and via the school website.

Violence

Violence is classed as the intentional use of physical force or power, threatened or actual, against oneself, another person, or against a group or community, that either results in or has a high likelihood of resulting in injury, death, psychological harm, Violence is a form of anti-social behaviour and will predictably result in imminent injury or harm (the level of injury and harm that constitutes the label dangerous should be defined within policy). This includes an intent to harm others, damage to property or behaviour that would be considered criminal if the person was the age of criminal responsibility, such as racist abuse. Except within an unpredictable first manifestation, the behaviour described as dangerous will be supported by evidence of severity and frequency of outcomes such as 'three children required first aid for minor bruising as a result of X's kicking'. It should also look to predict the likelihood of the behaviour recurring and prevention strategies to support this.

The use of reasonable force

The school follows the DFE advice for school leaders, staff and governing bodies.

<https://www.gov.uk/government/publications/use-of-reasonable-force-in-schools>

There are circumstances when it is appropriate for staff in schools to use reasonable force to safeguard children. The term 'reasonable force' covers the broad range of actions used by staff that involve a degree of physical contact to control or restrain children. 'Reasonable' in these circumstances means 'using no more force than is needed'.

Members of staff have the power to use reasonable force to prevent pupils committing an offence, injuring themselves or others, or damaging property and to maintain good order and discipline at the school or among pupils.

The Principal and authorised school staff may also use such force as is reasonable given the circumstances when conducting a search for knives or weapons, alcohol, illegal drugs, stolen items, tobacco, fireworks, pornographic images or articles that they reasonably suspect have been or are likely to be used to commit an offence or cause harm. Force may not be used to search for other items banned under the school rules.

Uniform/Appearance

- Uniform must be worn in its entirety, as per the uniform list at all times, including the journey to and from school. Jumpers may be removed in the summer term, following the Principal's directive. Pupils can ask permission to remove jumpers in lessons.
- Tights and socks must not be worn together. Plain black ankle socks for girls and boys (no sports/trainer socks, frilly socks, socks with logos, knee-length socks or inner shoe 'sockettes').

Regardless of gender: tram-lines, wedges, undercuts or shaved hair are not permitted. Styling products are not permitted. Highlighting and colouring of hair is not permitted and neither are hair extensions. It is acknowledged that textured hair is an important part of a pupil's racial, ethnic and cultural identity and requires specific styling for hair health and maintenance and therefore in such circumstances braids and corn rows can be worn. Braiding must be an appropriate length and match natural hair colour. Beading is not permitted. Pupils must be clean shaven.
- Girls uniform includes permission to wear one pair of plain stud earrings on the earlobe and all pupils may wear a wrist watch, but not a smart watch. No other jewellery is allowed.

If a telephone is confiscated, a parent/carer will be expected to collect it. It is important to note that the school is not responsible for any pupil's phone for any reason.
- Smart watches that allow access to making calls or the internet, are not allowed in school.
- Electronic devices, speakers, cameras and computer games must not be brought into school or they will be confiscated. Parents/carers will be expected to collect them.

- At all times, the staff car park and the area around the bungalow are out of bounds.
- Any pupil seeking to retrieve a ball from the road must have permission from a member of the duty staff.

- If locker keys are lost, they must be replaced and paid for. We suggest parents/carers make a copy of their child's locker key.

Public Transport

- Pupils should remain seated on buses and trains throughout the journey.
- Pupils should never put their heads out of bus/train windows or doors.
- Pupils must stand well back, behind the bump strip, as the train approaches the platform. At the end of the school day, Year 7 must line up behind Year 11 (and in term 6 behind Year 10).

Rewards

When expectations are met and our Code of Conduct adhered to, praise and encouragement should be expressed to give positive reinforcement. Our current rewards system includes:

- Verbal praise, either personal or public.
- House Points.
- Telephone/letter/postcard home.
- Certificates for achieving above expectations in a number of subjects.
- Certificates noting achievements, service, good conduct, attendance.
- Extra-curricular certificates.
- Book tokens, vouchers or other tangible "thank yous."
- Prizes.
- Prefect status.
- The CREST (bronze, silver and gold awards).
- Positive references.

In all years, the award of House Points is possible for the following reasons:

- Outstanding work.
- Effort.
- Community service involving an element of sacrifice.
- "Extra" help or service.
- Consistently high standards of work, behaviour or attendance.

The successful use of this House point system depends on the contribution and participation under the Be St Richard's banner of all staff. There are clear stages of rewards which are shared with pupils, parents/carers and staff. Copies of these are up in all classrooms.

Consequences

St Richard's operates a discipline procedure based on the Christian values of dignity, love and reconciliation. Where a pupil's conduct is unacceptable or disruptive in any way, or where a pupil fails to meet required standards in work or discipline, corrective action must be taken. Staff are expected to address small infringements of courtesy, behaviour and uniform immediately so that the minor misdemeanours do not grow into more challenging behaviour from pupils. It is essential that misdemeanours are quickly discovered and dealt with firmly, without undermining the integrity of the individual personality. In every case, the consequence should be appropriate to the offence and the child. A list of common offences with consequences has been drawn up for the use of all staff (**see Appendix 11**). It is recognised that pupils may, at times, require sensitive handling, without undermining the principles of fairness and justice. The school takes a therapeutic thinking approach to support pupils who may require a supported approach to modifying behaviours. Consequences currently imposed at departmental and pastoral levels include the following:

Departmental

- Detentions at break or lunchtime.
- Detentions after school, with 24-hour notice in writing via email/EduLink to parents/carers.
- Department report/monitoring.
- Transfer to another class or temporary withdrawal.
- Letters/emails home to parents/carers.
- Interview with parents/carers.
- Referral to Form Tutor/Pastoral Leader/Subject teacher.
- Our policy with regard to detentions is in line with the latest Guidance from the DFE (Behaviour in Schools July 2022).

Pastoral

- Support and advice.
- Staff/pupil mentoring.
- Range of services in the school to help support a pupil - refer to the MHEW document that lists them on the school website: Parents/Pupil Wellbeing.
- Behaviour Points.
- Pastoral detention (held on a Friday).
- Withdrawal of privileges.
- Detentions before school, at break, lunchtime, after school, Saturday morning, INSET days.
- Litter duty.
- Community Service.
- Daily report- a variety of these are available in order to tailor it to the child.
- Close supervision - used as a last resort - Saturday detentions are better to ensure pupils do not miss out on learning.
- Strategy meetings to complete the plan, 'can, do, review' sections of an Additional Needs plan.
- Interview with parents.
- Exclusion from extra-curricular activities when appropriate.
- Use of after-school intervention room.

In addition, use can be made of support from other agencies such as the Counsellor, the Educational Psychologist or the Education Behaviour and Attendance Service.

Whatever consequences are imposed, it is essential that parents are kept fully informed and that reconciliation and support always have a role. The responsibility for this lies with individual teachers as well as Subject and Pastoral Leaders. The successful management of pupil behaviour relies on the close partnership between home and school which has a high priority in our community. Good communication should ensure that misdemeanours or concerns are dealt with appropriately, through a staged system of referral, according to the seriousness or frequency of the offence.

Close Supervision

Please refer to the Consequences list for when this should be administered. Pupils will fill out a reflection booklet in collaboration with pastoral staff at the end of Close Supervision.

Suspensions

The principles of equal opportunities and social inclusion underpin our management of pupil behaviour. Measures counteracting disaffection are put in place as necessary through BfL targets and strategies, with early intervention and suitable use of pastoral support programmes for those at risk of permanent exclusion. However, for serious offences, such as abuse of staff, theft, substance misuse or persistent or aggressive behaviour, the Principal may decide that a pupil should be suspended from school. In such a case, the Principal will follow the procedure laid down by the East Sussex County Council.

Conclusion

High standards of behaviour and discipline need to be maintained to ensure a good working atmosphere for all staff and pupils at St Richard's. We strive to be consistent while allowing a certain flexibility to respond to particular cases in our care for the individual's social, spiritual, moral and academic needs. By creating a climate within which appropriate teaching and learning can take place, we can achieve our aims and prepare our young people to contribute to the wellbeing of a just and caring society.

APPENDIX 1 - Searching, Screening and Confiscation Policy

We have adopted the County/DfE Searching, Screening and Confiscation Policy following the DfE Guidance [here](#).

Pupils, staff and parents are asked to note the following with regard to prohibited items listed in the 'Substances/Dangerous Items' section of our Community Expectations.

The items listed in this section can be searched for, adhering to DfE protocols (Behaviour in Schools July 2022)

The Principal can conduct a search without consent where there are reasonable grounds to suspect the possession of a prohibited item. Other school staff must be authorised by the Principal before undertaking a search. Prohibited items are:

APPENDIX 3 – CONSEQUENCES SYSTEM OF REFERRAL

Consequences System of Referral

<p>Stage 1 Subject/Tutor responsibility</p>	<p>For a low level incident occurring in form or class time, the first response is the form or class teacher consequence. This will commonly be the awarding of lunch or after school detention. Communicate all low level incidents via 'EduLink One.' A follow up phone call or email home is proven to be beneficial. Teachers and tutors will follow their own professional judgement here.</p>
<p>Stage 2 Subject Leader responsibility</p>	<p>A Subject Leader will become involved when a subject detention has been missed; there has been a repeated failure to complete homework, or a pupil is interfering with the learning of others. Here, the class teacher will refer to the Subject Leader for support. The Subject Leader will administer a variety of consequences depending on the circumstances. These are likely to include one or more of the following: Subject Leader detention, subject report, departmental monitoring, phone call with a parent/carer, interview with a parent/carer to plan next steps. The Subject Leader will ensure they contact home to discuss the issue and steps ahead.</p>
<p>Stage 3 Pastoral Leader responsibility</p>	<p>Pupils will be referred to the Pastoral Leader where there is a pattern of repeatedly failing to complete homework in more than one subject or because the pupil is disturbing the learning of others in more than one subject. The Pastoral Leader will contact the parent/carer and, in partnership with them, will put in a plan of action to address the concerns. This will include a pastoral detention or Saturday detention being issued. Pastoral detentions run on Friday until 4:45pm in B7 and Saturday from 9am-12pm in B7.</p>
<p>Stage 4 Pastoral Leader with support of LMT</p>	<p>Pupils who continue to disengage or misbehave must have an Additional Needs Plan developed to draw together a number of strategies to re-engage the pupil. Parents will meet with the Pastoral Leader, in order to formulate this plan. External agencies will be utilised to offer further support where necessary. The plan will be regularly reviewed to ensure impact.</p>
<p>Stage 5 In extreme cases, Principal</p>	<p>The Principal will receive written records of the incident that produced such a referral and consider the necessary consequences, which may include a fixed term exclusion.</p>

Consequences in precedence order:	
1	Detention
2	Community service
