Graduate Tutor
Unqualified Teacher Scale Point 1 (£19,5921)
Full Time, Fixed Term 1 Year Contract
September 2023

We are looking to recruit a Graduate to assist in all areas of school life from supporting pupils within academic lessons, improving numeracy and literacy skills with small groups to working with pupils giving 1:1 support in KS3 and KS4. We would hope that this person would also be willing to get involved inside and outside of the school day through our extensive extra-curricular programme.

This post would be ideally suited to a Graduate who would like experience of working in a school and the opportunity to share their passions with young people. A proactive approach to engaging with young people is essential. This is a rewarding opportunity for gap year students to enhance their CV or Graduates who are seriously considering a career in teaching.

Further details and an application form are available from our website.

Closing date: Friday, 7th July 2023

St Richard's is committed to safeguarding and promoting the welfare of its pupils and expects all staff and volunteers to share this commitment.
