A copy of the Word Processor Policy (Exams) is kept in the Exams Office. An electronic copy is available from the Exams Officer. The policy can also be found on the St Richard's Catholic College website.

The criteria St Richard's Catholic College uses to award and allocate word processors for examinations

The 'normal way of working' for exam candidates, as directed by the Principle, is that candidates handwrite their exams. An exception to this is where a candidate may have an approved access arrangement in place, for example, the use of a scribe/speech recognition technology.

Awarding word processors

There are also exceptions where a candidate may be **awarded** the use of a word processor in exams where he/she has a firmly established need, it reflects the candidate's normal way of working and by not being awarded a word processor would be at a substantial disadvantage to other candidates.

Exceptions might include where a candidate has, for example:

- ▶ a learning difficulty which has a substantial and long term adverse effect on their ability to write legibly
- ▶ a medical condition
- ▶ a physical disability
- ▶ a sensory impairment
- ▶ planning and organisational problems when writing by hand
- ▶ poor handwriting

Allocating word processors

Appropriate exam-compliant word processors will be **allocated** by the ICT Services department in liaison with the ALS Lead/SENCo and the Exams Officer. In exceptional circumstances where the number of appropriate word processors may be insufficient for the cohort of candidates approved to use them in an exam session, the cohort will be split into two groups. One group will sit the exam earlier than or later than the Awarding Body's published start time. The security of the exam will be maintained at all times and candidates will be supervised in line with section 7 of ICE.

Alternative Rooming Arrangements Policy (Exams)

- Ensures criteria for candidates granted **alternative rooming arrangements** is clear, meets JCQ regulations and best meets the needs of individual candidates and remaining candidates in main exam rooms

A decision where an exam candidate may be approved alternative rooming within the centre will be made by the ALS lead/SENCo.

The decision will be based on:

- whether the candidate has a **substantial and long term impairment** which has an **adverse effect**; and
- **the candidate's normal way of working within the centre** (AA 5.16)

Leadership & Management Team, Teaching staff

- Support the ALS lead/SENCo in determining and implementing appropriate access arrangements/reasonable adjustments
- Produce a word processor policy, specific to the centre, which details the criteria the centre uses to award and allocate word processors for examinations
